

Certified Financial Planner (CFP®)

John G. Ullman & Associates, Inc. is seeking an experienced Certified Financial Planner to join our Firm as part of our Financial Advisor Team. This is an essential position in our company and will play a significant role in the company's strategic plans to grow and expand the business. This position will be assigned to work in our Horseheads, NY office.

Our Financial Advisors combine financial planning skills, a passion for exceptional client service, and the ability to counsel clients on all aspects of financial planning, wealth management, and "special projects" catered to meet the unique needs of our clients. In addition, our Financial Advisors are expected to strategically and proactively engage in the firm's business development activities.

The Role:

Financial Advisors will:

- Serve as the Financial Manager and Advisor for our high net-worth clients; developing highly trusted and long-term relationships.
- Administer the firm's comprehensive financial management services on an ongoing basis.
- Provide customized analysis to include cash flow analysis, statements of financial condition and insurance evaluations; retirement analysis and survivorship analysis; and review of estate structure and associated documents including wills, living trusts, powers of attorney, and health care proxies.
- Prepare and review personal income tax returns; develop tax planning strategies.
- Consultation and assistance with other areas, such as employee benefits, stock option exercise, real estate, career/business planning, financial negotiations, medical and custodial care planning, education financing, annual gifting, mortgage/insurance shopping, change of life circumstances, and other special needs.
- Develop financial plans and implementation strategies to support the financial goals and objectives of the client.
- Counsel and advise clients regarding their financial goals and objectives, portfolio structure, and the performance of their investments.
- Strategically and proactively engage in the firm's business development activities; to include creating a business development plan, identifying and documenting prospective clients, implementing relationship management steps designed to nurture and cultivate prospective clients, conducting in-depth meetings with prospective clients to promote the value proposition of the firm with the goal of securing them as new clients.
